This is a rather long and pointless piece of non-link text.

file:///home/foo/example.txt. This might be a file link.

ftp://example.org. This might be a FTP link.

javascript:alert(0). This might be a JS link.

https://example.com?q=foo. This might be a link in another font.

http://example.com?q=foo. This might be a link.

Hello, world! This is not a link.
